

Product Description:

Wall-Mounted Basketball Goal

Product Code:

BAS-MUH-R

Wall-mounted basketball hoop with white steel stand. Satisfies FIBA requirements for stability and is approved for matches at the very highest level. Electrically powered, with built-in anti-fall mechanism. Available in different extension lengths between 1.8m and 3.3m. The hoop can be folded up towards the wall when not in use.

This type of basketball hoop is a good alternative when there are good conditions for mounting the hoop in the ceiling construction.
