

Product Description:

Steel Folding Wheelaway 5-A-Side Goals

Product Code:

FBL-5AS-IND-WHL

A pair of Steel Folding Wheelaway Goals, ideal for use in sports halls and outdoors.

These goals are manufactured to cope with continued every day use, with uprights and crossbars made from 50mm x 50mm x 2mm square steel box sections.

Side frames fold out by using our new foot operated quick release system. Easily operated flip over wheels enables the goals to be re-located in seconds. Goals have protective pads to grip and protect the floors.

Supplied in sets of 2 goals.

Finished in white baked polyester powder coating, providing a tough scratch resistant finish. Complete with full assembly and maintenance information, Quick release backbar included.

Supplied with nets.
