

**Product Description:**

Demountable Multi-Use Posts

**Product Code:**

MSP-R-36

Demountable combination badminton / volleyball posts, for walls.

Mounted on wall using a hook and floor pin for easy mounting and removal.

Steel post, quadratic steel profile.

Adjustable net height.

For spans of over 18m, an additional intermediate post is supplied (not pictured). This post can either be secured by a floor socket (socketed) or by two anchors (anchored, wheelaway) in the hall sub-floor at the mid-way point.

Supplied complete with nets.

**Note:** Picture shows double-sided intermediate post.
