

**Product Description:**

Bench Style Seat (Without Backrest)

**Product Code:**

G3

Bench style seat, without backrest, of two parts: seat and connection bridges, to form benches without length limit.

For conventional and metallic bleachers (telescopic or demountable).

Injection moulded in stabilised high quality copolymer polypropylene. Shiny surface, sealed around the whole of its perimeter to prevent dirt from accumulating inside the seat, easy cleaning. Curved front edge of 35 mm with right-angle base overlapping terrace front. Fixing by two anchoring points (one in each of the bridges). Multiple central drainage.

Light resistance:  
Additive anti-UV, protection 8.000 hours WOM

Resistance to severe public use (vandalism):  
UNE EN 12727:01 (Fv=950 N, 200000 cycles, static charge 2000N 10 seconds, 10 cycles)

Fire resistance (optional):  
Classification M2

**Dimensions:**

*Backrest height: 45mm, Depth: 310mm, Width: 450mm  
(simple bridge) 500mm (double bridge)*

**Colour:**

*Please refer to standard colour list*

**Materials:**

*Polypropylene*

**Special**

We manufacture  
in any colour  
technically  
available for  
more than  
2,500 units.

**Important:**

Different monitor /  
printer configurations  
may change a colour's  
appearance, we  
recommend that you  
request a plastic  
colour range.

**Technical Information:**

This information sheet is intended as a guide only. Sport Alpha should be consulted to approve any fixing provisions prior to installation. Please note that non-standard fixings which require specialised fixings or additional drilling, etc, may incur additional charges. If in doubt, contact us.
