

Product Description:

Arcadia Mobile Seating

Product Code:

SEA-ARC-WHL

An excellent solution for venues where flexible or temporary spectator seating is required.

Each section has 4 rows and seats 20 people.

The seating units 'tip' onto their sides for mobility and storage. Castors allow the seating to be easily maneuvered into place. Sections can be placed side-by-side to provide continuous runs of seats. Stair sections are also available to provide access to each row.

Each section is approximately 2.5m wide. The inclination is 400mm to the first row, +200mm to the second, +200mm to the third and +200mm to the fourth row.

Standard stair sections are 1.2m wide.

When in the raised position the 4-row unit is 2600mm high.

Dimensions:

Each section 2500mm wide. Stair sections 1200mm wide.

Colour:

*Standard seat colours: Black, yellow, red, blue and green
Other colours available at additional cost*

Materials:

Steel frame, polypropylene seats
